REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-20 are allowed because none of the prior art alone or in combination teaches or suggests the particular subset of the process steps in fabricating a liquid crystal display by inserting a dummy substrate into the chamber, injecting inert gas into the chamber containing the dummy substrate to eliminate a process byproduct and a remaining gas from the chamber.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
